

### **Notes:**

Guides will not be providing lunch, so make sure to come prepared. Should it rain, the tournament will not be postponed- the fish are already wet! Guides will be working for much less than their normal fees, please consider a generous gratuity. Taos Fly Shop will be providing food and beverages Saturday after fishing. Sunday dinner at TBD is included. Beer and wine will be available to purchase.

### **Rules:**

We are trying a new format this year in an effort to minimize our impact on the fisheries and level the playing field. Each team member will only be allowed to score their best 3 fish of the day. Each guide will only be allowed to score 1 fish a day. As the case in previous tournaments, only 2 rods are allowed to be fishing at a time. Point system as follows-

Fish up to 12 inches are worth 100 points. Every inch after 12 will be awarded another 25 pts. For example, a 16 inch trout is worth 200 points. All fish need to be measured accurately to count- no LDR's or guesses. If a fish is caught but not measured it is worth

Each Brown or Cutthroat trout will be worth an additional 50 points.

Fishing Sessions will be from 10am to 4 pm.
